

# SELF-GUIDED TOUR

1

## REFLECTING POND

A popular spot to study and socialize, this campus landmark is located between the John C. Hitt Library and Millican Hall. During Homecoming Week, UCF hosts Spirit Splash, a wet and wild pep rally, where Knights rush into the Reflecting Pond for a chance to catch the year's signature rubber duck.

2

## JOHN T. WASHINGTON CENTER

Located adjacent to the library and the Student Union, the John T. Washington Center is named for one of the first Black faculty members at UCF and features a mural of him and

his contributions to campus. This gathering place — also referred to as the breezeway — includes UCF Card Services, a barber shop, a campus bookstore, Chick-fil-A, Domino's Pizza and services for banking, mailing and printing.

3

## STUDENT UNION

The heart of the UCF campus is a hub for activities, events and socializing. Eateries include Panda Express, Steak 'n Shake, Smoothie King, Starbucks and others. Plus,

there are study spaces and computer labs with free printing, a computer store, lounges, a convenience store and the SGA Ticket Center, which offers student discounts to local attractions and events.

4

## MEMORY MALL

This expansive grassy area — located between the Addition Financial Arena, FAIRWINDS Alumni Center and the Student Union — is where you can find students enjoying Florida's signature

sunshine all year round. On game days, UCF football fans gather here to tailgate and celebrate before kickoff. Nearby Knights Plaza boasts an array of restaurants and retail shops, including Barnes & Noble, an Amazon Hub Locker and Knightro's — one of two on-campus dining halls.

5

## COLLEGE OF ENGINEERING AND COMPUTER SCIENCE

Housed in three buildings, the College of Engineering and Computer Science is where students work with industry leaders such as Lockheed Martin, Boeing, Harris

Corp., NASA and Siemens. Cutting-edge nanotechnology research takes place here in the Advanced Materials Processing and Analysis Center. In the atrium of Engineering II, be sure to take a peek through the glass walls of the Idea Lab, then scope out the replica ride vehicle from Walt Disney World's Space Mountain.

6

## COLLEGE OF BUSINESS

Home to some of UCF's most popular majors, the college prepares students to succeed in a rapidly changing economy. Every weekday, The EXCHANGE hosts faculty and community leaders

who engage students in thought-provoking conversations. Entrepreneurial ideas become a reality thanks to startup resources from the UCF Blackstone LaunchPad. The Office of Professional Development, located in Business II, helps students set career goals in motion from day one.

7

## HEALTH CENTER

Student Health Services provides a variety of primary and specialty care services including a pharmacy, dental center, women's clinic, lab testing, immunizations and more. Adjacent to the health center

is the counseling center, which provides free comprehensive psychological services to enrolled students. The counseling center offers initial assessments, individual counseling, group therapy, workshops and walk-in services.

8

## HOUSING OFFICE/ FERRELL COMMONS

Live in the heart of campus in housing options ranging from traditional shared suites to upscale apartments. All UCF communities are fully furnished and

include utilities, high-speed Wi-Fi and 24-hour staff support. Feeling hungry? At '63 South dining hall, a wide variety of meal options are available from morning to late night. Also located in Ferrell Commons is All Knight Study, Knights Helping Knights Pantry and Pride Commons.

9

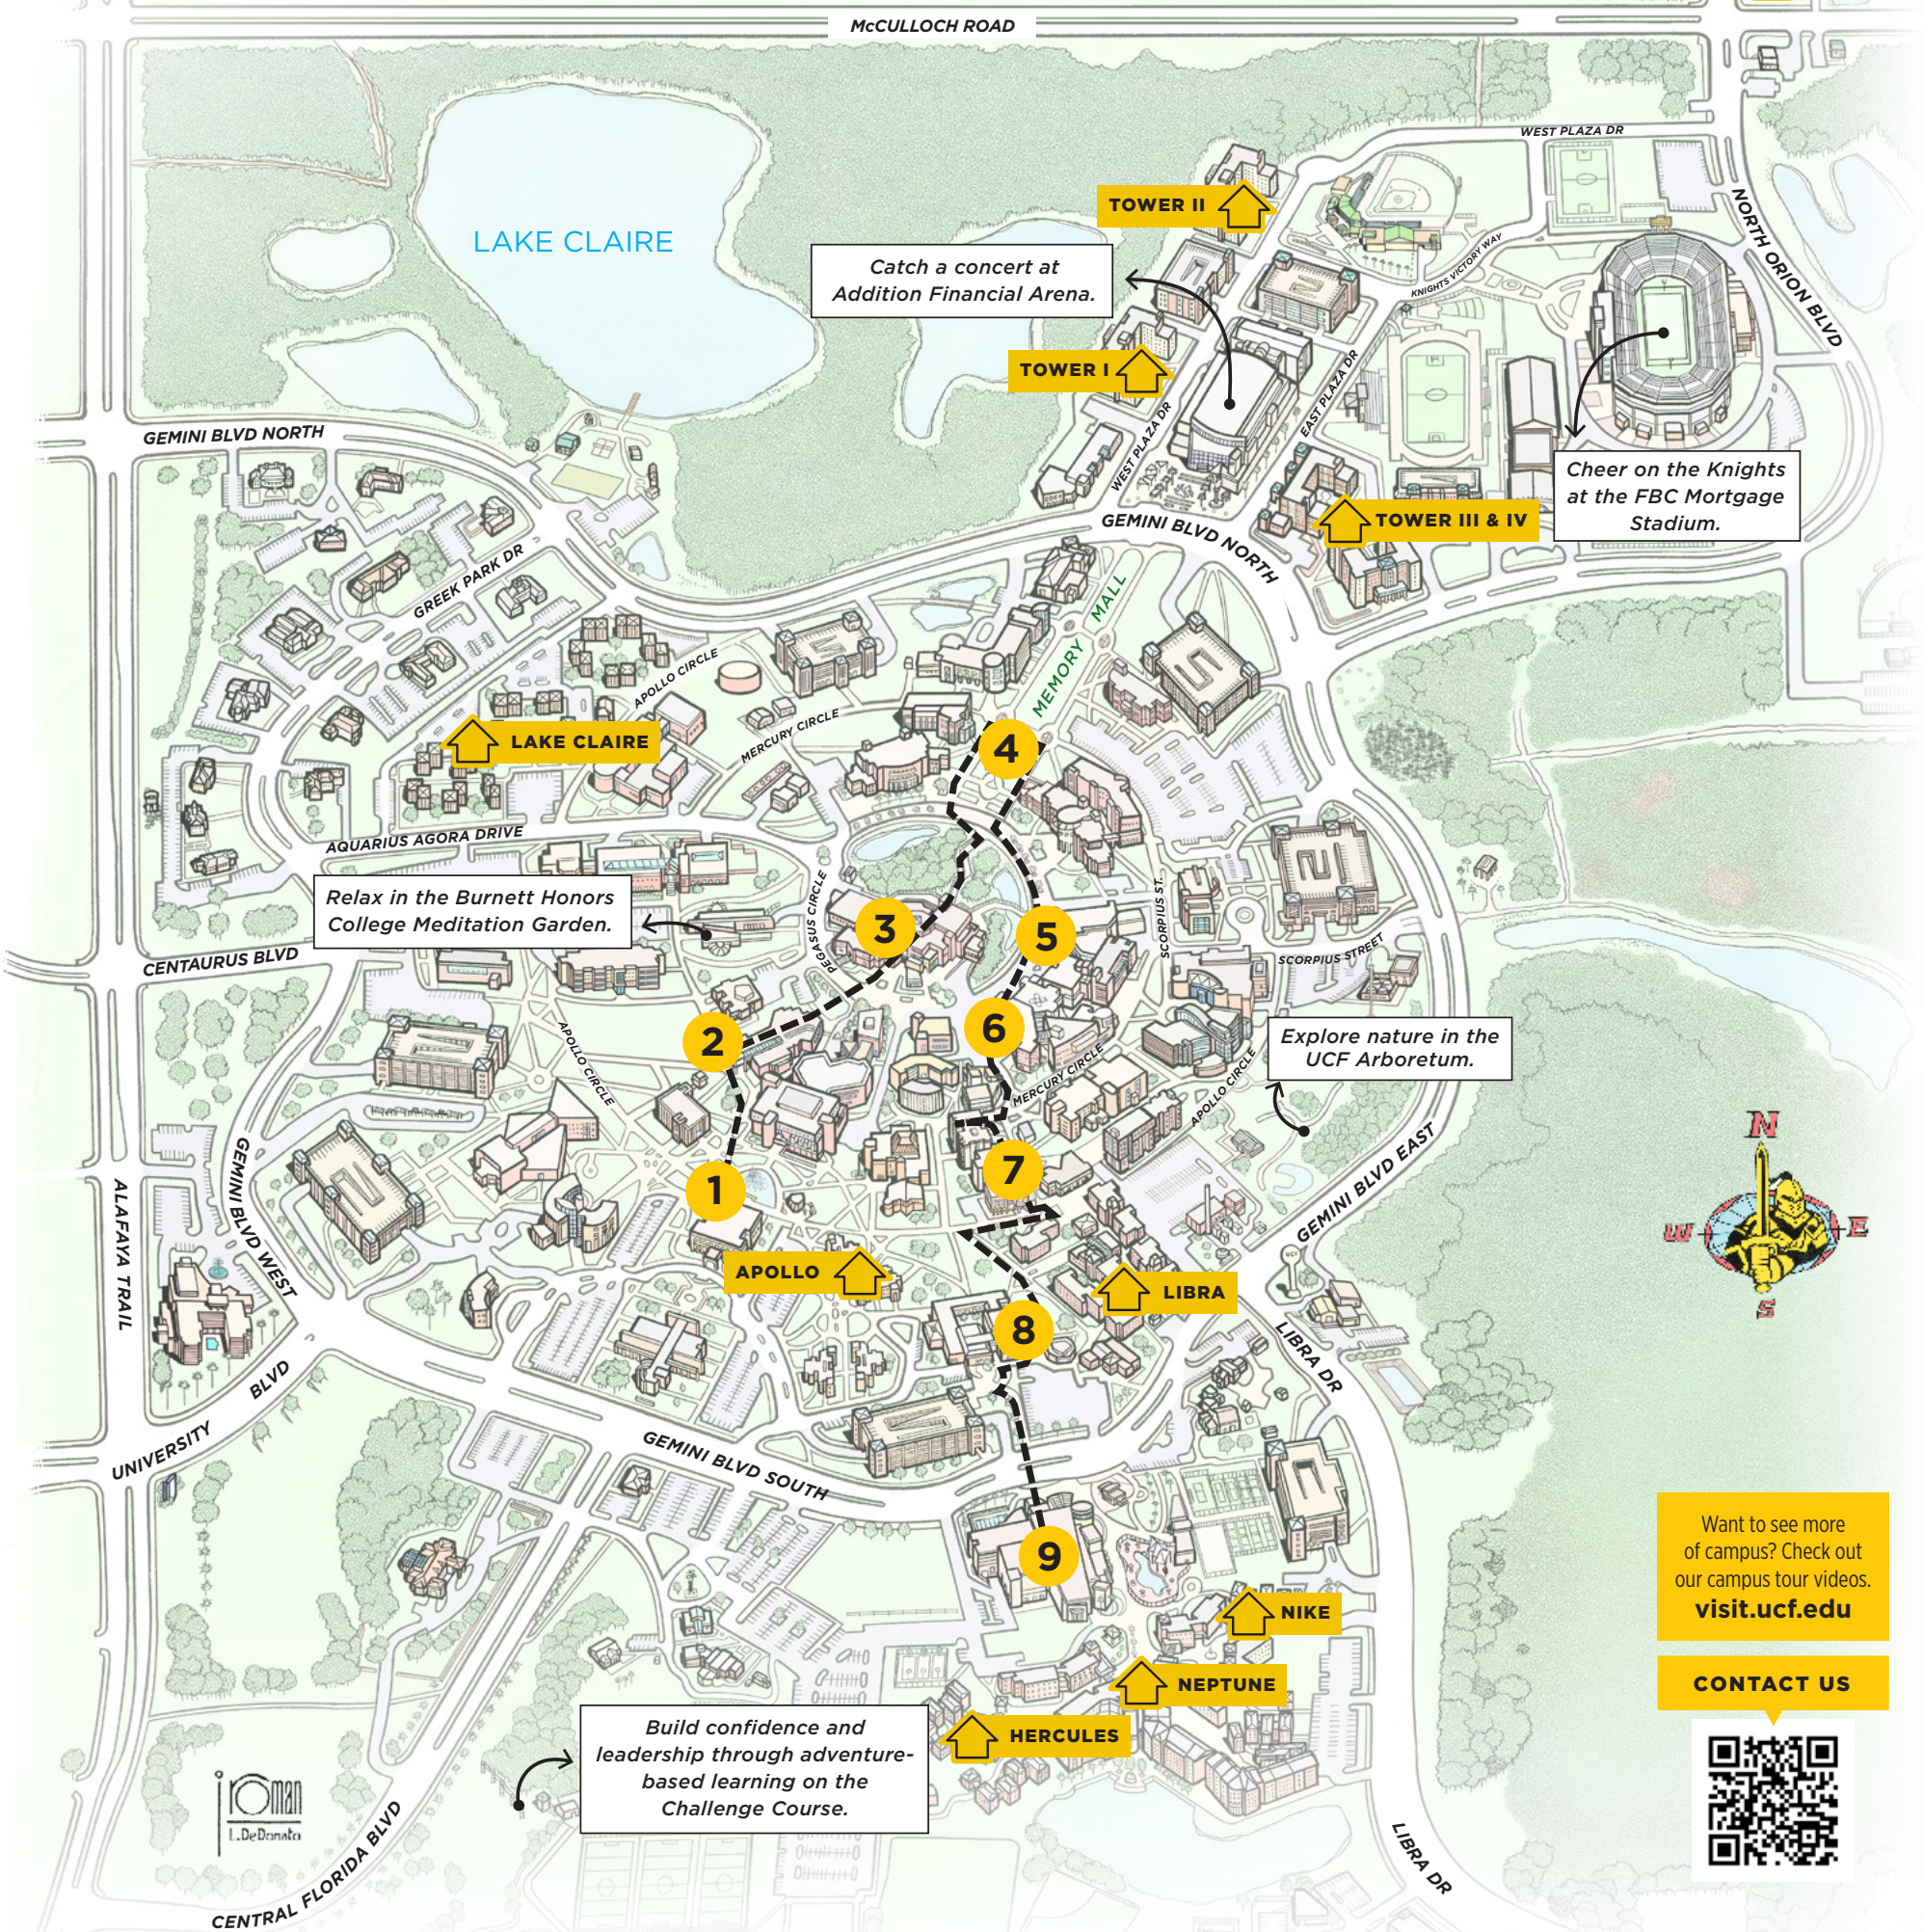

## RECREATION AND WELLNESS CENTER

This facility features two swimming pools, cardio and fitness floors, a 41-foot rock-climbing tower, sand volleyball and multipurpose courts, aquatics facilities

and more. Aerobics, yoga, Pilates and spinning are a few of the free exercise classes offered to students. The university's intramural and club sports are supervised here as well.

**RESEARCH WEEK**  
Student Research Week is a showcase of discovery and scholarship. Each April, students participate in workshops and events, including poster sessions where they present research and creative scholarship to the UCF community.

# JOHN C. HITT LIBRARY

The John C. Hitt Library — named for UCF’s fourth and longest-serving president — offers a variety of services and spaces for students.

## 1 AUTOMATED RETRIEVAL CENTER

The Automated Retrieval Center, or ARC, is where the library stores most of its collection of books and other print materials. These items are stored in four-story-tall rows of bins retrieved by a robotic arm. Books are requested on the library website and picked up at the Circulation Desk. This area is not open to the public, but a viewing area to see the ARC in action will be open once construction on the third floor is complete.

## 2 STUDY SPACES

The first and second floor common area have collaborative space for students to meet without disturbing others. The fifth floor has a quiet zone for students looking for absolute silence. The first, third and fourth floors have reservable rooms designated for student group study

## 3 GALLERY

The Gallery, located in Room 403, is an exhibition space dedicated to displaying art, rare collections and archival materials that are preserved by Special Collections and University Archives. This gallery is open to the public.

## 4 READING ROOM

The Reading Room is a favorite for students to soak up the natural light as they work in a quiet, peaceful environment. It is located on the fourth floor just beyond the Gallery.

## 5 LIBTECH DESK

One of the busiest places in the library has nothing to do with books. The LibTech desk on the second floor offers a wide variety of tech equipment and accessories to support students. Popular items available to borrow include laptops, iPads, Apple Pencils, 4K and HD cameras, mobile device chargers, projectors and calculators. The staff also provides basic tech support and printing assistance to students in the library.
