

## CLIMATE CHANGE MITIGATION AND LAWS

**PROJECT DATE:** May 2020 – August 2020

**TYPE:** Research Project

**FUNDING AMOUNT:** Not applicable

**ABOUT THE PROJECT:** I am conducting legal research into the policies, resolutions, and laws which have been enacted or are being considered in American cities which are serious about preparing for and mitigating climate change impacts. These urban impacts include extreme heat events, stronger and more frequent hurricanes, and floods and storm surges. The city of Orlando is one of the cities being researched, through review of its laws, publicly-stated objectives, and interviewed.

**WILL BENEFIT FROM THE PROJECT:**

- City of Orlando (government)
- Orange County (government)
- Nonprofit Organizations
- Businesses
- Residents
